Step 3: a decision

Made a decision to turn our will and our lives over to the care of God as we understood Him - Step Three

The principle that we shall find no enduring strength until we first admit complete defeat is the main taproot from which our whole Society has sprung and flowered - Step One, Twelve Steps and Twelve Traditions, p 22

If you're an alcoholic and you are having difficulty with Step Three, then you have not understood the previous two Steps. To understand Steps One and Two is to comprehend that on our own power we will never be able to stay sober or manage our own lives and that nothing human can help us. That leaves us with just two options: keep living as we are or seek God's help.

If you're an alcoholic, sober in AA and you are having difficulty believing that God exists, consider this: who do you think is keeping you sober?
