National Treatment and Correctional Facilities Forum Bridging the gap

The National Treatment Correctional Facilities Forum was held via Zoom on 28 and 29th August. It was organised by Area G, Eastern Region and was well attended. It was very successful and well organised with some great speakers who without Zoom may not have been able to attend.

One of the main themes that kept coming up on the Corrections side was how to bridge the gap between AA in gaol and AA in the wider community.

This gap is a problem as many people on release have many issues to deal with in their lives. These issues are important and include obtaining housing, fixing up finances, attending Centrelink, reuniting with families, repairing relationships and dealing with families, kids.

However, there is more we can do to bridge this gap and ease the process for detainees who are transitioning to AA in the broader community upon their release.

At the Forum, Area B Eastern Region (ER) ran a workshop to explore some ideas.

Narelle, who is a Class A Trustee (non-alcoholic) and a Correctional Facilities Officer from WA shared some different perspectives about what works and what doesn't. She shared, with permission about a detainee who embraced AA in gaol but on release fell through the cracks in many areas including AA. It set the tone for the workshop on the importance for finding some practical solutions

from the Correctional Facilities Team Area B (ER) followed, presenting some resources that could be useful in bridging the gap, between AA and Facilities both Correctional and Treatment. These resources were developed by Area B (ER). They include a business card, an A5 and an A4 poster and pamphlet. The posters are designed to be placed on the facility notice board and the business card and pamphlet for the detainee to take with them on release. Examples are pictured.

The resources can be easily adapted for each facility and would also work well in a Treatment Facility. They are not Conference approved but may become a Conference topic for 2021 where Conference consider whether to approve them.

The Chair then asked for ideas experiences from attendees at the workshop on how we can bridge the gap. following ideas were explored.

Ensure detainees have a local meeting list and website address on release

Give out phone numbers Arrange to pick up on release and take the ex-detainee to a meeting straight away

AA could become part of a 'one stop shop' for detainees release.

Reach out to parole officers and make sure they are 'educated' about the importance of the parolee continuing to attend AA. Have QR Codes to meeting lists and website that can be scanned Arrange a time and place to meet the ex-detainee before their first 'outsides' meeting.

Sponsorship for detainees to ensure an ongoing relationship with members on release.

Ensure detainees have plenty of literature including a Big Book on

The resources mentioned above are available to detainees before release and that they are part of a release pack.

Engage in the correspondence program for detainees so they have pre-releases contacts in the wider AA community

Bridging the Gap

Once you have left the AMC and you have to face life on life's terms, everything might seem just a little too much. Things mightn't go how you thought or hoped they would and people might seem to look at you differently.

Don't pick up that first Drink!

Try to remember the HALTS.

Don't get too:-

- Have something to eat, something sweet.
 - Try saying the Serenity Prayer. - Go to a meeting or call someone in the Fellowship.
- Don't get over tired, drink water or a milkshake.

- How important is it? Keep it simple.

Try and call a member whose number you have or call:-1300 22 22 22 that's 1300 AA AA AA (Anywhere in Australia).
That person can talk with you and let you know where the nearest meeting is to you. We'll be waiting, because someone was waiting for us.
That made all the difference.

A new way to receive your copy of AA Around Australia

AA Around Australia is now available as a digital copy delivered to your email inbox on an "opt in" basis.

Over the years production costs and postage has risen, and with a mailing list of around 1800 it's quite a considerable cost each year to produce and deliver. But don't worry, AA Around Australia will always be free and mailed to any group or member that wants it.

You can however, opt out of the hardcopy and receive AA Around Australia digitally to your email each quarter. To opt in please email chris@aa.org.au with the current name and address that AA Around Australia is delivered too and your preferred email.

The great thing about the digital copy is that it's in colour and can then be easily sent on, by you, to your Group Members.

More 300 Club Members Needed

We are looking for more members who are prepared to contribute \$10 per week to support our General Service Office.

This is not an appeal for money as such, but a long term strategy to ensure our Fellowship's solvency into the future and so we can be fully self-supporting rather than rely on declining literature sales.

So far 180 members have joined towards our goal of 300 members.

Your anonymous contribution is tax deductible and will be used for our Primary Purpose work, which includes;

Public Information initiative from AA's newest General Service Office - Fiji

In July, GSO Australia received a request from GSO Fiji for some pamphlets It was provided at no cost from funds AA Australia had for International Sponsorship

We have received the funds for our teams to visit the smaller islands and are now busy planning how to reach the most islanders. We are again appreciative of Australia's support.

We have decided to do an outreach to the Health Centres on each of the islands that are in contact with the still suffering alcoholic and provide AA materials that can offer hope and recovery. (Much like Dr. Bob and Bill W had done)

We would provide small plastic display cases, much like you would see on a counter advertising resorts or special causes with pamphlets, our hotline cards and a small poster)

Later in the day we will hold a regular meeting.

We are requesting literature from Australia, as our supplies are limited and have decided on using three pamphlets

Is A.A. for you? 120 needed A Newcomer Asks 120 needed AA at a glance. 120 needed

With our contact cards and hotline number on each.

Taveuni 5 Health Centres plus hospital Viti Levu 15 Health Centres plus hospital Kadavu 4 Health Centres plus hospital

Our date for the teams to travel is on the September Holiday that will give a day off to those members that are employed.

Thus we hope to have our materials received by then.

If approved for the literature and mailing please send to

From little things, big things grow...

Bula Phylis

A big vinaka vakalevu for being included in the amazing outreach trip to Vanua Levu! Through this trip, I am able to give back to the community through service which has given me renewed sense of purpose. Bringing home the message of our primary purpose!

The bonding with my fellow ladies in recovery is another part of the trip that I will never forget. Getting to spend time and getting to know them on a personal level has brought me a powerful sense of belonging. I am not alone.

Vinaka vakalevu to Australia AA for making this trip possible.

Maraia R, grateful alcoholic.

"The Taveuni outreach work of carrying the message was a truly amazing experience. Am honored to have been part of a group of sober women on this weekend and I would have missed this opportunity if I was not sober and working the program of AA. Have not picked up a drink by the grace of God and this program for a little over 3 years. It has

been an incredible journey of learning and discovering for which I am eternally grateful for today.

For this particular weekend, it has not only been a focus on service but on the other 2 pillars of the circle and triangle of recovery and unity.

I have been privileged to sponsor two incredible sober young moms and both of them live quite a distance from the capital city where I reside. Our mode of step work and checking in has been predominantly virtual. But I am grateful that over this weekend, we were able to catch up face to face, do step work and share our experience, strength and hope with the rest of the travelling members. We also spent time in relaxation and did a bit of snorkelling when we were there. It's true what the big book says that we are not a alum lot!

So from us here in the Fiji Islands, Vinaka saka vakalevu AA-Australia for your continued assistance making this outreach possible and a fruitful one! " Hello families. Being clean for a week is something I couldn't believe, would happen. Thanks to the team for putting up posters outside shops in our small hidden paradise town. I am excited to be in this programme. After a week of being clean I than found out that I needed these so bad. I lost so many good job opportunity that came my way because of alcohol. Going through the small book that I have "Alcoholics Anonymous" it's helping a lot because some stories that is in that book is so powerful and true. I want to thank each and everyone of you for the encouragement. •

GUIDELINES FOR STORIES

PURPOSE

We have a vision for a book of stories of Aboriginal and Torres Strait Islander people's experience, strength and hope of working the 12 steps of Alcoholics Anonymous in their lives—to carry the message to other alcoholics, and encourage identification by Aboriginal and Torres Strait Islander people.

FORMAT

Lots of options... stories can be typed and emailed to us, or hand written and posted. You could record yourself speaking and send it to us to type, or we could arrange someone to listen to you and write. Stories can be short, or longer, up to 3500 words.

SUGGESTION FOR OUR MOB'S STORIES

We encourage you to speak your truth, and disclose in a general way 'what it was like, what happened, and what it is like now'. This book is about Aboriginal and Torres Strait Islander people sharing personal stories to especially help other Aboriginal and Torres Strait Islander people identify, so it is important to write from your Aboriginal and/or Torres Strait Islander perspective. Include connection to Country and culture, challenges in mainstream society, 'grave emotional and mental disorders', depression, suicide, underlying issues, intergenerational trauma and racism. There is no shame in telling our stories. We are one mob. We support each other and our communities. We must carry our messages to others who are still suffering—in cities, remote areas, workplaces, prisons etc.

GUIDELINES

Carry the message of recovery. Avoid references to people (real or fictitious), places, brand names, organisations or institutions. Avoid statements of personal opinion on e.g. politics, organisations, religion or medication. Remember AA's singleness of purpose: although other addictions may be part of your story, keep the story focused on your recovery from alcoholism.

We will include stories from all around Australia and from all backgrounds including Elders, long-term sobriety, young people, LGBTIQ, men, women... our diversity.

We'll use your first name plus surname initial as author, like stories in the Big Book.

The book will be printed in large font, include some history and places for help. It will also be in audio form.

We can help with editing. We'll get your approval before publishing.

Send stories by 31st Dec 2020 to:

UPDATE ~ SEPTEMBER 2020 2021 AUSTRALIAN AA NATIONAL CONVENTION

2nd – 5th April 2021 Hilton Hotel, ADELAIDE

Our host planning committee has been meeting monthly for over a year now and we are a really committed crowd of members.

Our venue, the Hilton, still remains closed due to COVID but it is due to open in mid October.

We have recently decided to condense the convention by removing the Thursday evening public information session and starting the convention on the Friday. This provides substantial saving on the venue hire which also takes some pressure off with our fundraising limitations.

Having said that, our fundraising committee are doing a brilliant job under the current circumstances. We have just over 60 registrations at the moment. If the convention is forced to be cancelled, everyone will be offered a full refund.

Our program has been developed and we have some exciting sessions lined up.

We have an exciting evening planned for the Saturday. A truly amazing band, top class DJ and a substantial buffet!

Please join our Facebook group (details below); we have some great celebrations, information and interaction happening.

We need your support! So please, register now and increase your chance to win one of the monthly prizes.

This new AA book brings together a cross-section of views of nonbelievers who have still been able to benefit from the AA program. It would be invaluable for god-wary newcomers who baulk at the AA program's repeated references to God; even though there are only a couple of atheist and agnostic meetings in Australia, *One Big Tent* shows such newcomers they are not alone.

The book is a compilation of stories published in *The Grape-vine*—starting with Bill W reminding us in 1965 to be inclusive of anyone who declares themselves a member of AA.

This book is also a boon for anyone struggling with 'the god thing'. It reassures any atheist, agnostic or freethinking alcoholic that the AA program embraces them. Reading *One Big Tent* should also open the mind of any member carrying the AA message. As the Long Form of Tradition Three puts is: "Our membership ought to include all who suffer from alcoholism." That includes atheists, agnostics and freethinkers.
