**Minutes of Meeting**

Hello all tonight! As of COVID-19 lockdown week no one was able to be in the night cliff community centre. A big thank you to Darren H. and Tony F. for your service on the days we can go in. Tony is always prompt at letting us know he cannot make it in and Darren. Tony did let me know over the weekend he will not be available for office volunteer for the month of July. As it stands the Darwin District is still in need of office volunteers for Thursday, Friday, and Saturday from 11am till 2pm who have a minimum of 6 months sobriety, to have a home group and be supported by their group. I ask can groups and members announce this at their meetings thereby continuing their own sobriety and enhancing AA's legacy. Thank you also to all the 24hr phone roster volunteers for your service. From the 23rd of June to the 5th of July the phone tally for the 24hr phone service has been 7 calls.

Thank you again to the Darwin Fellowship for the opportunity to be of service.

Kind Regards

Denis P.

Moved to Accept Susan B. Seconded Pat M. Accepted Unanimously.

**PUBLIC INFORMATION OFFICER– Dan T:**

**REGISTRAR– Denis P:**

Hello to everyone and thank you for the opportunity to be of service this month. Printed up copies of the Serenity Times keeping the office desk stocked for any members to take. Thank you to Bob W. for printing up some more AA business card holder "stickers" which I have placed on the remaining card holders in PI draw. Printed up the updated PI BUS notice to be circulated at meetings and groups. Forwarded The finalised "Bill W. Camp Flyer" to GSR's and group contacts. Earlier this month I called Alice Springs and Katherine contacts checking to see if there are any changes to existing meetings with no changes. Re shared the DDO Coordinators position contact details with committee members. At the beginning of the first Darwin COVID-19 lockdown I started calling groups checking if they wanted their group suspended on the website letting Mick G. our webmaster know which ones. Saturday the 3rd of July, I had forwarded the zoom ID and password details as requested by Monday night Daily Reflections Group to Mick to be placed on the website.

DARWIN DISTRICT MEETING – Wednesday 7 July 2021

FINANCIAL REPORT

Summary

At the end of June, we retain a healthy balance (cash and bank account) of \$7,195.53. This includes \$1,335.00 received for the PI Bus advertising project.

Excluding income from the PI Bus contributions we recorded a loss for the month of \$211.78 compared to a surplus of \$144.45 for the same month last year. The difference is attributable to lower income from groups (apart from PI Bus contributions) and lower literature sales. Year to date excluding the PI Bus contributions we are showing a loss of \$1,061.45 but this includes the donation of \$2,000 GSO in December.

No need to worry at this stage, especially since we want those bus contributions to keep flowing in, but we also need to maintain enough 60/30/10 contributions to meet our office expenses. Roughly we need about \$520 per month in group contributions, and so far this year (from September) we have averaged \$594 which is OK. This month however we only received \$175.28 and the months before were also quite low so we need to make sure this doesn't keep trending downwards.

Petty Cash/Literature Cash Sales

The petty cash tin was counted at the end of the month at \$32.25. Balance at the start of the month was \$43.65 and receipts for petty cash expenditure (Paper towels and paper coffee cups) amounted to the difference of \$11.40. Caroline is now keeping the literature float to \$50.00 and will advise if this needs to be adjusted.

June Meeting - Financial Detailed Report

Reconciled to 30/06/2021 - Full details are attached.
