Step Four.

"Made a searching and fearless moral inventory of ourselves."

The Big Book explains if a business takes no regular inventory it usually goes broke.

What happens when we as humans do not do an inventory on our actions, feelings and thoughts? I think we all know the answer to this one, yes, we become spiritually broke, that is worse than being financially broke!

We need to take a fearless and searching look at ourselves to find the truth. First, we searched out the flaws in our make-up, which caused our failure, we needed to be totally honest with ourselves.

RESENTMENT; A feeling of deep and bitter anger and of ill will.

This is generally the number one offender, it has destroyed more alcoholics than anything else!

SEXUAL DESIRES, MATERIALISM, EMOTIONAL SECURITY, IMPORTANCE OF POSITION IN SOCIETY, FINANCIAL SECURITY, FEAR, I could go on and on. These desires are normal human instincts, but when misguided, can cause humans grief, whilst being misguided, humans are on a direct path to destruction.

The 12x12 writes, nearly every serious emotional problem can be seen as a case of misguided instinct and when that happens our great natural assets, the instincts, have turned into physical and mental liabilities.

Step four is our vigorous and painstaking effort to discover what these liabilities in each of us have been, and are.

What do we do? When the spiritual malady is overcome, with whom, we had a resentment we will straighten out mentally and physically.

We make a list, putting pen to paper, starting with resentments. Listing people, institutions or principles with whom we had a resentment. An example is on page 65 of the Big Book 4th Edition.

By harbouring resentments we lose our spirit, the insanity of alcohol returns. If we drink we will die! To live we have to be free of anger. Being sober and thinking about the people that have wronged us, possibly they were sick like ourselves.

We can ask a GOD of our own understanding, to help us show the same tolerance, pity, and patience that we would show a sick friend. When a person offends us, we say to ourselves, "This is a sick person. How can I be helpful to this person. God save me from being angry. Thy will be done."

Referring back to our list again. Putting out of our minds the wrongs others have done, we showed fierce determination in looking for OUR mistakes. Where had we been selfish, dishonest, self seeking and frightened? We admitted our wrongs **HONESTLY** and were willing to set these matters straight. "FEAR- the dictionary describes fear as being afraid of or feeling anxious or apprehensive about a possible or probable situation or event." SEX- we all have sex problems, we would not be human if we didn't. We need to look at ourselves, where had we been selfish, dishonest, or inconsiderate? Whom did we hurt? Did we unjustifiably arouse Jealousy, suspicion or bitterness? Were we at fault, what should we have done instead? Remembering our sex powers were God-given and therefore good, not to be used lightly or selfishly nor to be despised or loathed. To sum up about sex we earnestly pray for the right ideal, for guidance, in each questionable situation. **OTHER HARMS** we look at the same as all others being guided by your Higher Power. Remember God can remove whatever self-will has blocked you off from him. Read the Big Book from the last two lines on page 63 up to page 71, and the 12x12 pages 42 up to page 54. Try not to put off working this step. Taking a good **HONEST** look at ourselves is extremely important in becoming well and staying sober.

ZENON S. 7th September -15th March

Zenon was one of the good guys.
He served others without thought of reward.
He was non-threatening, and newcomers to the AA group were always made to feel welcome and important.
In his life he suffered much but complained little.
He presented a very, very high standard of behaviour.
Although he did not paint, he enjoyed appraising good quality fine art.
I went away for a few years, when I returned Zenon was in a wheelchair, he had suffered a stroke.
He never complained. When we met for a meal or coffee it was always an immensely joyful occasion, with Zenon's humour dominating.
He maintained an "eye for a pretty girl" this coupled with the "gift of the Gab" always made my, made of granite Sister-in-law blush with joy whenever they met. He made the world a better place and set a standard that will hopefully ENDURE.
The personal loss for all of us was huge.

BILL W, AA CAMP – 2022

"...recovery begins when one alcoholic talks to another"

Foreword to the Third Edition – Alcoholics Anonymous

2022 Bill W AA Camp

With Al-Anon Participation

July 22-24 at Douglas Daly NT

Meetings, meditation and fun in a peaceful bush setting – that's the Bill W Camp – now in its 27th year. Some great sharing at meetings under the stars, morning meditation by the river, a damper cooking competition (BYO flour), a dip in the hot springs, or bring your talent to Red Faces.

Swimming in the river with the crocodiles is not advised, but we are welcome to use the resort's big pool. It's a camp, so bring your own everything including a chair for meetings. We do supply cold water tea and coffee – in your own mug.

The Douglas Daly Tourist Park reserves an area for us which includes a camping and vehicle site. If you are camping (\$20 a night) no need to book. The park also reserves us a few caravan sites close to the action. If you'd like to book a powered site, reserve a room or self-contained cabin **BOOK EARLY** – the park gets busy. Contact the park direct on 08 8978 2479 and say "I'm with the Bill W Camp." For more information.....

HOW DOES SERVICE STRENGTHEN MY SOBRIETY?

Being able to be of service within AA is a privilege that I value. It can be tiring, frustrating, irritating, and inconvenient. You can ask well why bother? I have asked myself this same question over time and still always arrive at the same answer. Being involved, knowing I am assisting in the most important thing to me in the world, AA. Being involved keeps me up to date with things that are happening within AA, it also helps to keep me in touch with me. The alcoholic that I am, and always will be, sober today because of AA, a Higher Power, a Home Group, a Sponsor, the 12 steps, Sponsee's and service work. Once I commit to something I feel an obligation to fulfill that role. If I go out and consume alcohol, I cannot fulfill the role I volunteered to fill.

There are many ways to be involved in service, your home group always needs volunteers, the office needs volunteers and both the district and area require volunteers.

Being of service does not make you any better than anyone else, it is just being a servant to all our members who need AA to help them keep sober and to become better humans.

To be of service we are not expected to be an expert, remember we are alcoholics, but sobriety has made us teachable and useful humans. We have every reason to be grateful for our sobriety and for our Higher Power who brought us to AA and together we are provided with the knowledge and strength to succeed. Think about service, speak to your GSR and ask what you can do.

(Anonymous)

Thank you to the writer of this piece on service. Would you like to provide an article on being of service, or something else? Your story, how it was for you and how it is for you now. This is also providing a service that helps others.

AA PREAMBLE

Alcoholics Anonymous is a fellowship of people who share their experience, strength, and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; we are self-supporting through our own contributions. AA is not allied with any sect, denomination, politics, organisation, or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and to help other alcoholics to achieve sobriety.

GOOD ORDERLY DIRECTION

It is when we try to make our will conform with God's that we begin to use it rightly.

To all of us, this was a most wonderful revelation.

Our whole trouble had been the misuse of willpower. We had tried to bombard our problems with it instead of attempting to bring it into agreement with God's intention for us. *To make this increasingly possible is the purpose of AA's Twelve Steps, and Step Three opens the door. TWELVE STEPS AND TRADITIONS, p.40*

FROM PAGE 561 4TH EDITION BIG BOOK

To those now in its fold, Alcoholics Anonymous has made the difference between misery and sobriety, and often the difference between life and death. AA can, of course, mean just as much to uncounted alcoholics not yet reached. Therefore, no society of people ever had a more urgent need for continuous effectiveness and permanent unity. We alcoholics see that we must work together and hang together, else most of us will finally die alone.

The "12 Traditions" of Alcoholics are, we AAs believe, the best answers that our experience has yet given to those ever-urgent questions, "How can AA best function?" and "How can AA best stay whole to survive?"

To read these traditions you will find them at the back of the Big Book also on a banner hanging on the wall alongside the Serenity Prayer and the 12 Steps banners at your local meeting. Read them look into them and you will understand how they work so well.

Alcoholics Anonymous in South Australia is
turning 75 in October this year!

We are looking at forming a Planning
Committee to create a celebration for this
amazing milestone

Derek R has been presenting a series on the 12 Traditions and 12 Concepts for the “In All Our Affairs” meeting. His outside job is as an educator, and as a passionate AA member he presents an interesting, light-hearted perspective on a vital part of AA that I was once fearful of.

## THE TWELVE STEPS

Step One- *"We admitted we were powerless over alcohol – that our lives had become unmanageable."*

Step Two- *"Came to believe that a Power greater than ourselves could restore us to sanity."*

Step Three- *"Made a decision to turn our will and our lives over to the care of God as we understand Him."*

Step Four- *"Made a searching and fearless moral inventory of ourselves."*

Step Five- *"Admitted to God, to ourselves, and to another human being, the exact nature of our wrongs."*

Step Six- *"Were entirely ready to have God remove all these defects of character."*

Step Seven- *"Humbly asked Him to remove our shortcomings."*

Step Eight- *"Made a list of all persons we had harmed and became willing to make amends to them all."*

Step Nine- *"Made direct amends to such people wherever possible, except when to do so would injure them or others."*

Step Ten- *"Continued to take personal inventory and when we were wrong promptly admitted it."*

Step Eleven- *"Sought through prayer and meditation to improve our conscious contact with God as we understand Him, praying only for knowledge of His will for us and the power to carry that out."*

Step Twelve- *"Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, And to practice these principles in all our affairs."*

## THE TWELVE TRADITIONS

Tradition One- *"Our common welfare should come first; personal recovery depends upon A.A. unity."*

Tradition Two- *"For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern."*

Tradition Three- *"The only requirement for A.A. membership is a desire to stop drinking."*

Tradition Four- *"Each group should be autonomous except in matters affecting other groups or A.A. as a whole."*

Tradition Five- *"Each group has but one primary purpose—to carry its message to the alcoholic who still suffers."*

Tradition Six- *"An A.A. group should never endorse, finance, or lend the A.A. name to any related facility or outside Enterprise, lest problems of money, property, and prestige divert us from our primary purpose."*

Tradition Seven- *"Every A.A. group ought to be fully self-supporting, declining outside contributions."*

Tradition Eight- *"Alcoholics Anonymous should remain forever non-professional, but our service centres may employ special workers."*

Tradition Nine- *"A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve."*

Tradition Ten- *"Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy."*

Tradition Eleven- *"Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films."*

Tradition Twelve- *"Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities."*
