

National PI/CPC Patter June 2023

The goal of AA Public Information and Co-operation with the Professional Community (PI&CPC) is to carry the message to the alcoholic who still suffers. This is achieved in two ways, through informing the general public about the AA programme and through reaching "the third person", whose work is or may be involved with the active alcoholic

The Strathalbyn Group of A.A. was recently invited to participate in a Fleurieu Well Being -Health Expo. featuring all locally interested, like-minded health and welfare groups. Since time , and the lateness of the request, two members of the group, hastily put together a information table featuring Public Information in the form of Posters and Pamphlets, together with Meeting lists . A feature of our table was a medium size “cork-board” on a stand, on which a map of the Fleurieu Peninsular was pinned. On this map, we placed Red stick-pins where all the Groups meeting within our local area, were attached. These Groups included Yankalilla, Goolwa, Willunga, Mt.Barker, Victor Harbor, Murray Bridge, Meadows and Aldinga. Alongside this map, we placed notes with the day and times and whereabouts of these meetings, thus all information was correct at that time..

On the Expo Day, our table was set, along with 10 other participants, in a hall on the Strathalbyn Oval, which was widely advertised by the organizers. There were many interested visitors to our table. Many local folk, and others, simply did not realize that our Group (and other Groups) were meeting regularly .However, it was good to meet a variety of like-minded Community workers who took such an avid interest in what we do. Our home-groups' pamphlet and Meeting list stash, disappeared very fast indeed!. There were also quite a few inquiries about “ A.A. ‘Meetings on Line” something that surprised us at the time.

In conclusion, it bought together all health and welfare entities who shared their experience, strength and hope with each other. Hopefully ,we will be able to have a little more time to organize this and include our other A A groups, if requested , later time. Shirley C. Strathalbyn Group.SA

(Alcoholism, the Disease) A very important tool of successful Twelfth Step work is revealed in Chapter 7: "Working with Others" in the book "Alcoholics Anonymous" (The 'Big Book'). It is developed more on pp 13 and 67- 68 of the book "Alcoholics Anonymous Comes of Age". Alcoholics usually have to face the medical facts of the disease, as well as the present unmanageability of their own lives, before they can accept help. This seems to be true for most newcomers who are forced by emotional pain to come to AA for the first time. The medical viewpoint on alcoholism that helped to bring about the birth of AA is outlined in "The Doctor's Opinion", located in the front section of the book "Alcoholics Anonymous" (AA Guidelines GL-01 - Beginners meetings)

Our Twelfth Step, carrying the message, is the basic service that the AA Fellowship gives: this is our principal aim and the main reason for our existence. Therefore, AA is more than a set of principles; it is a society of alcoholics in action. We must carry the message, else we ourselves can wither and those who haven't been given the truth may die.

All of AA is voluntary , no one is paid for their 12 step work or Service, it is for our own recovery we take the steps and pass on, AA service is our chance to repay what we have been given to continue indefinitely the message of AA , send all PI/CPC posts or stories for the PI Patter to aanationalpiandcpc@gmail.com or for more information on our Service Structure contact your Local CSO, General Service Rep., Area Delegate or the GSO.

In Unity and Service ,

Rob C
