

National PI/CPC Patter March 2023

Don Street Medical, Bendigo

The goal of AA Public Information and Co-operation with the Professional Community (PI&CPC) is to carry the message to the alcoholic who still suffers. This is achieved in two ways, through informing the general public about the AA programme and through reaching "the third person", whose work is or may be involved with the active alcoholic

National PI/CPC Patter

Our Twelfth Step, carrying the message, is the basic service that the AA Fellowship gives: this is our principal aim and the main reason for our existence. Therefore, AA is more than a set of principles; it is a society of alcoholics in action. We must carry the message, else we ourselves can wither and those who haven't been given the truth may die.

The Central Victorian District put together a great presentation of their efforts to reach the still suffering alcoholics.

They have stocked many doctors surgeries, libraries, post offices, supermarkets, rehabs and the like with various material such as post cards with the 12 questions on the back, business cards and posters of various sizes.

website aacvdistrict.org.au also provides a valuable platform for their PI efforts and attracts considerable traffic with well over 2000 hits per month.

Usually, the cost of doing PI&CPC service work is met from the general contributions to a Group, other unit of the General Service structure (District, Area) or Central Service Office. When a new committee is in a locality with a small AA population, members of neighboring Groups may be called upon for special contributions.

Even in Areas where AA is firmly established through a large population, Groups may be asked to contribute to certain special projects; for example, an effort to supply all local libraries with copies of the 'Big Book'.
